

## ERRATUM

We regret that an error occurred in the colorizing of figure 6 in the article "A Primer on Imaging," by John J. Doria, and figure 1 in the article "Measuring Electrical Activity of the Brain: ERP Mapping in Alcohol Research," by David B. Chorlian, Bernice Porjesz, and Howard L. Cohen, in volume 19, number 4, 1995, pages 264 and 316, respectively. The corrected figure and the full figure legend appear below.
